1. b.) The online program (NGP VAN) was used by Elect April Freeman for the sole purpose of accounting, record keeping, FEC filings, organizing events and sending email to our own contacts and donors.
1. c.) Elect April Freeman, did not and has never been the recipient of data or list related products from NGP VAN.
1. d.) Elect April Freeman, did not and has never been the recipient of unreported in-kind donations from the Respondents Catalist or NGP VAN.

Allegation #2

2. a.) Elect April Freeman, did not and has never engaged in illegal coordination with the named Respondents - Catalist or NGP VAN, nor any other entity.
2. b.) Elect April Freeman, did not and has never exchanged data with any entity, i.e. campaigns, party, or soft money groups as detailed in the MUR 6916 complaint.

Allegation #3

3. a.) The committee - Elect April Freeman, the treasurer - Betty Kostrach, candidate April Freeman nor any of the individuals or representatives of the campaign, have knowledge or control over the operation procedures, establishment, financing, maintenance, or the controlling bodies of Catalist or NGP VAN.

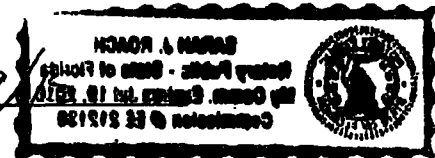

I, April Freeman affirm the information contained herein, to be true and accurate pertaining to the committee - Elect April Freeman and the allegations of MUR 6916.
